

Personal Development Curriculum

What makes Personal Development exceptional at Holly Primary

Personal development at Holly Primary is exceptional for several reasons. First and foremost, our curriculum goes beyond traditional education, embracing a holistic approach that nurtures not only academic ability but also mental health and well-being. We prioritise the safety and safeguarding of our students, instilling fundamental British Values and promoting spiritual, moral, social and cultural education (SMSC). Furthermore, we believe that personal development extends far beyond the classroom, which is why we offer a diverse range of extra-curricular activities, outdoor pursuit. Our residential and enrichment opportunities challenge students to expand their horizons and fuel their ambitions, providing invaluable experiences that shape their futures. Pupil leadership is encouraged, instilling qualities like responsibility and confidence. We also emphasise healthy, sustainable living, both for our students and staff, ensuring that everyone is well-equipped to thrive in an ever-changing world.

At Holly Primary, personal development is not just a concept but a way of life, fostering well-rounded individuals who are prepared for success in all aspects of their journey.
