### British Values and Protected Characteristics

#### British Values

At Holly Primary School, we are committed to the promotion of fundamental British Values of democracy, the rule of law, individual liberty, mutual respect and tolerance of others. We believe that through embedding the promotion of fundamental British Values at the heart of our varied and rich curriculum, we are able to foster life-long qualities and skills in our pupils, ensuring that our children leave Holly as well-rounded, good citizens who will enrich society.

British Values				
Democracy	Rule of Law	Individual Liberty	Mutual Respect	Tolerance of Others
We all have a voice within school and society.	We understand that rules and laws are there to keep everyone safe and happy and we respect them.	We know our human rights and responsibilities and are aware that we have freedom to make our own choices in life.	We respect others and expect them to show us respect.	We respect and appreciate diversity and understand that everybody has different views and beliefs.

#### Protected Characteristics

The Equality Act became law in 2010. It covers everyone in Britain and protects people from discrimination, harassment and victimisation. Everyone in Britain is protected. This is because the Equality Act protects people against discrimination because of the protected characteristics that we all have. Under the Equality Act, there are nine Protected Characteristics: Age, Disability, Gender, Race, Religion or belief, Marriage or civil partnership, Sex, Sexual orientation, Pregnancy and maternity. At Holly, we actively promote the 9 Protected Characteristics and ensure no one feels like an outsider.
